Report of Principal and School Improvement Council

"GES Rocks" was the theme Gilbert Elementary School enjoyed as we celebrated our 11th year together in 2012-2013. The School Improvement Council, PTA and faculty worked in concert to ensure student success and maintain a positive learning environment.

We continue to face the challenges that come with growth and a diverse socio-economic population. An increasing number of students are in need of financial assistance and arrive with learning barriers, as well as social and emotional needs. Using strategy-based instruction and personalized learning, and preparing our faculty through professional development, we remain ready and poised to meet the needs of all of our children.

Our teachers continued to grow through Professional Learning Communities and experienced a year of professional development and training in preparing for Common Core State Standards. Teachers are currently engaged in book studies using "The 7 Habits of Happy Kids" and "What Great Teachers Do Differently: 17 Things That Matter Most." Our staff continues to implement "The Leader in Me" model with the assistance of district trainers. This supports our faculty and staff efforts to provide a positive learning culture to all students and continues to be very beneficial in cultivating positive behaviors in and out of the classroom.

Our mathematics coach, Heather Price, worked with faculty to provide our "First In Math" online program and worked with teachers to provide effective instruction through "Everyday Mathematics." Amber Buzhardt, our technology integration specialist, continued to provide teachers with strategies for using technology in their daily instruction. With Response to Intervention, we continue to give teachers tools to implement meaningful instruction and to continue closing the achievement gap.

We continue to use data from norm-referenced Measures of Academic Progress, benchmark Voyager testing, common assessments and the Palmetto Assessment of State Standards as indicators of student progress. Students and teachers continue to set goals together, measuring student growth throughout the year.

The Student Advisory Council, leaders and ambassadors for our school, gave suggestions we implemented for expanding technology to our Learning Commons, including new laptops and iPads for student research and project-based learning.

We celebrated academic improvement and excellence by receiving a Palmetto Silver Award from the S.C. Department of Education. We also continued our support of Relay For Life and St. Jude's Children's Research Hospital Math-A-Thon with nearly 500 students participating. Lexington Soil and Water Conservation District named Judy Whitesell their Teacher of the Year for her conservation and recycling efforts.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	84.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Gilbert Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☒ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
